### "Custom Fit" Car Covers

#### Technalon-2 \ Evolution-4

We offer the best car cover available anywhere! Our "Technalon 2" is made of Evolution 4 fabric material from Kimberly-Clark. This (4-layer) polypropylene fabric provides maximum protection in all weather conditions. Moisture resistant against rain, snow and dew. Tree sap, acid rain, industrial pollutants and bird droppings will not harm this fabric or your classic. A "Breathable" 4-layer fabric that dries quickly and has impact absorptions against door dings and scratches. This custom cover is tailor made for each classic, for easy installation and will not shrink or stretch. Each cover comes with a Two (2) Year Limited Warranty!
